# 1. GENERAL INFORMATION

The Pumptrack MTB competition is organized as part of the Outdoormix Festival from Friday, May 22nd to Monday, May 25th, 2026. This event is organized by the non-profit association WeAreHautesAlpes, represented by Mr. Brice Clovis, President.

Check-in and registration close 2 hours before each competition.

## 2. COMPETITIONS

This is a challenge taking place on Saturday, May 23, 2026, in the form of a timed competition on the pumptrack set up for this purpose at the Embrun lake.

Best qualifying time followed by a final round for the fastest times. Competitors ride the course one at a time. Each participant is allowed two runs on the pumptrack. The start is in a designated area within the starting zone. Participants are allowed to pedal up to the first whoop (bump) with a laser timer to stop the clock. The prohibition on pedaling after the first whoop will be determined by the organizers on the day of the event. For each rider, the best time from the two runs determines the final ranking. Upon registration, each rider will receive a number that they must remember. The starting order is determined by the order of registration or by the number on the participant's number plate.

All participants must complete their first run before proceeding to the second.

The organizers reserve the right to adjust the number of runs depending on the number of participants.
